### REMARKS

In response to the restriction requirement of July 23, 2004, Applicants provide this supplemental response thereto including a correction of the previous listing of claims and the resulting change in the election made in Applicants' previous response. In particular, the Applicants' previous response to the Restriction Requirement listed claims which are not pending in the present application through an administrative error. Applicants herein provide a corrected listing of claims. Furthermore, Applicants respectfully elect Group II, including Claims 12-35 for examination on the merits without traverse. Applicants have also cancelled Claims 1-11. Applicants respectfully request entry of the present Amendment and election of Invention II and favorable examination thereon. If any informal matters arise, the Examiner is encouraged to contact the undersigned by telephone at (919) 854-1400.

Respectfully submitted,
